Redeveloper's right to purchase Parcel 2H is conditioned upon submission of an acceptable development proposal for the parcel which meets the requirements of the Government Center Urban Renewal Plan. Redeveloper shall be given a reasonable period of time within which to submit such a proposal.

Section 207: Federal Tax Stamps and other Closing Costs

The Redeveloper shall pay the costs of any Federal or State documentary tax stamps which may be required, and all recording fees, including the cost of recording this Agreement.

In the event the Property is exempt from taxation on the assessment date next preceding the transfer of title and possession by virtue of title being vested in the Authority or other tax exempt entity, the Redeveloper shall pay to the Authority, in lieu of a tax adjustment, a pro rata amount of the taxes which would have been payable to the City of Boston if the Property had not then been exempt from taxation, for that portion of the tax year during which the Redeveloper has title and possession, such amount to be paid by the Authority to the City upon receipt from the Redeveloper; provided, in no event shall the Redeveloper be liable for any taxes or payment in lieu of taxes for any improvements located on the Property on any assessment date prior to the transfer to the Redeveloper of title to and possession of the Property unless pursuant to this Agreement the Redeveloper intends to purchase such improvements.

Any payment owed by the Redeveloper under this Section shall be due and payable to the Authority at the time of closing set forth in Section 205 hereof.

Section 209: Application of Redeveloper's Deposit

(a) Upon the sale and conveyance and delivery of possession of the Property as set forth in Section 205 hereof, the deposit made by the Redeveloper with the Authority in accordance with Section 203 hereof shall be returned to the Redeveloper; provided that the Redeveloper shall have first delivered to the Authority the contract and bond referred to in subsections (b) and (c) of Section 210 hereof.

Section 210: Conditions Precedent to Conveyance

The Authority shall not be obligated to make conveyance of the Property, unless and until the following events have all occurred:

(a) Working drawings and specifications for the Property have been submitted by the Redeveloper and approved by the Authority as provided in Section 302 hereof:

(b) The Redeveloper and a responsible contracting firm have entered into a contract, satisfactory in form to the Authority, for the construction of the improvements on the Property, and a copy of this contract has been deposited with the Authority, which firm shall not be changed without the prior written consent of the Authority.

(c) The Redeveloper has furnished the Authority with a performance and payment surety bond satisfactory in form to the Authority with the construction contractor as principal and the Redeveloper, and the Authority as beneficiaries, as their respective interests may appear. The penal amount of this bond shall not be less than 10% of the amount of the aforesaid construction contract.

(d) The Redeveloper has furnished evidence satisfactory to the Authority that the Redeveloper has the equity capital and financing adequate for the construction of the improvements in accordance with said approved working drawings and specifications and the construction contract.

Section 211: Default by Authority

In the event that the Authority shall be unable to give title or to make conveyance or to deliver possession of the Property as provided for herein, the Authority shall use reasonable efforts to remove any defect in title or to deliver possession as herein agreed, as the case may be, and the Authority shall give written notice thereof to the Redeveloper at or before the time for performance by the Authority hereunder, and thereupon the time for the performance by the Authority shall be extended for a period of ninety (90) days, or such longer period or periods as the Authority and the Redeveloper shall mutually agree; provided, however, that the Redeveloper shall have the election, either at the original or any extended time for performance, to accept such title as the Authority can deliver to the Property (if then cleared) and to pay therefor without deduction, in which case the Authority shall convey such title to the Redeveloper. In the event that at the expiration of the extended time the Authority shall be unable to give title or to make conveyance or to deliver possession as herein provided, then, (1) the deposit, together with any interest earned thereon (but only if the deposit has not been retained by the Authority pursuant to Sections 801 or 802 herein) shall be refunded; (2) all other obligations of the parties hereto shall cease; and (3) this Agreement shall be void and without recourse to the parties hereto. The acceptance of a deed by the Redeveloper

6/22/67

shall be deemed a full performance and discharge of every agreement and obligation herein contained with respect to the Property except such as are, by the express terms hereof, to be performed after the delivery of the deed.

6/22/67

(d) The Redeveloper agrees to take affirmative action to give maximum effect to the covenant in subsection (a) (2), and particularly covenants and agrees not to enter into agreements, leases, or other arrangements with lessees, tenants, or others pursuant to which the Redeveloper agrees not to lease space to any other commercial firm or firms, for any reason whatsoever, where the direct or indirect effect of the same would be to diminish the benefits to former commercial occupants intended by said subsection.

Section 302: Improvements and Submission of Plans

(a) The Property shall be used for the construction of a building to house television studios and/or offices to contain approximately ninety-fivethousand (95,000) square feet of gross floor area to be built in accordance with the Final Preliminary Plans and Outline Specifications, and the applicable standards and controls of the Plan.

By July 15, 1967, the Redeveloper shall submit to the Authority working drawings and specifications prepared by the Architect in accordance with the previously approved final preliminary plans and outline specifications, the Plan and this Agreement.

The Authority shall review the working drawings and specifications for conformity with the Final Preliminary Plans and Outline Specifications, the Plan and this Agreement, and shall promptly notify the Redeveloper of its approval or disapproval in writing, setting forth in detail any grounds for disapproval. If no grounds of disapproval are delivered in writing to the Redeveloper within ten (10) days after the submission of the working drawings and specifications, or any resubmission thereof as hereinafter provided, such drawings and specifications shall be deemed approved.

In the event of a disapproval, the Redeveloper shall, within ten (10) days after the date the Redeveloper receives the written notice of such disapproval, resubmit the working drawings and specifications altered to meet the grounds of disapproval. The resubmission shall be subject to the review and approval of the Authority in accordance with the procedure hereinabove provided for an original submission, until working drawings and specifications shall be approved by the Authority.

As promptly as possible after the working drawings and specifications are approved or deemed approved by the Authority and in any event no later than 20 days prior to the date set forth in Section 205 hereof, the Redeveloper shall submit to the Authority for

6/22/67

review and approval by the Authority evidence satisfactory to the Authority that the Redeveloper has the equity capital and financing necessary for the construction of the improvements in accordance with said approved drawings and specifications.

(b) The Redeveloper shall not apply for a building permit for the construction of the improvements to be erected on the Property without the prior certification of the Authority that the improvements to be constructed or completed are in accordance with the working drawings and specifications approved by the Authority in accordance with the provisions of this Agreement. No improvements shall be constructed which are not shown on the approved working drawings, nor shall any work be done on the construction of the improvements if such work deviates from the approved working drawings and specifications in any of the following respects:

(1) if the external appearance of the building (including roof and penthouse) is affected in any way; (2) if there are significant changes in materials or design of the interiors; (3) if there are any changes in materials, design, dimensions, or color in the public lobbies, entrances arcades or open spaces; except and only to the extent that modifications thereof have been requested by the Redeveloper in writing and have been approved in writing by the Authority. In the event that Redeveloper shall fail to comply with the foregoing requirements, the Authority may, within a reasonable time after discovery thereof by the Authority, direct in writing that the Redeveloper so modify or reconstruct such portion or portions of the improvements erected or being erected on the Property as so deviate from the approved working drawings and specifications or any approved modifications thereof, as to bring them into conformance therewith. The Redeveloper shall promptly comply with such a directive, and shall not proceed further with construction of such portion of the improvements as are the subject of such a directive until such directive is complied with. Any delays in completion of the improvements resulting from such modification or reconstruction shall not be a ground for the extension of the time limits of construction on the Property as provided for in Section 303 of this Agreement.

(c) In submitting plans and specifications to the Authority for its approval, the Redeveloper shall consider and take into account the planning and design objectives set forth in the Plan, and the Authority shall pursue such objectives in its review of and action upon the plans and specifications so submitted.

(d) Construction of the improvements hereunder shall be in conformity with all applicable State and local laws and regulations.

6/22/67

(e) The Redeveloper agrees to provide as part of the construction of improvements required pursuant to this Agreement, works of art satisfactory to the Authority, and agrees to expend for such works a sum not less than 1% of the total amount to be expended by the Redeveloper for such construction of improvements. The arts as used herein shall be deemed to include ornaments, arrangements, or effects created through the use of sculpture, bas-reliefs, mosaics, frescos, murals, prints, tapestries, paintings, and fountains which are sculptural in themselves or designed to enhance the setting of sculpture. The Redeveloper agrees to include in the final plans and specifications submitted to the Authority a general program for employment of art in the development to support and enhance the architectural and site design proposals.

(f) Submission of final plans and specifications pursuant to this Section 302 shall not be deemed to include submission of the final structural, plumbing, electrical or mechanical plans unless requested by the Authority.

(g) It is the general policy of the Authority that all new buildings constructed in Urban Renewal Project Areas shall be so designed as to accommodate the physically handicapped. In furtherance of this policy, plans and specifications shall include provisions conforming insofar as possible with the American Standard Specifications for Making Buildings and Facilities Accessible to and Usable by the Physically Handicapped, attached hereto and made a part hereof as Exhibit E. The Authority shall take into consideration the provisions and objectives of said Exhibit E in its review of and action upon plans and specifications submitted to it pursuant to this Agreement.

Section 303: Time for Commencement and Completion of Construction

(a) Prior to the sale and conveyance and delivery of possession of the Property, the Authority shall permit the Redeveloper access thereto, whenever and to the extent necessary to carry out the purposes of this Agreement.

(b) The Redeveloper shall begin the construction of the improvements in accordance with the approved working drawings and specifications within fifteen (15) days of the delivery of the deed to and possession of the Property to the Redeveloper.

6/22/67

(c) The Redeveloper shall submit a detailed estimated progress schedule at the time construction is begun, in a format generally used in the construction of buildings. This schedule shall be re-submitted each month until the construction of the improvements has been completed, with actual progress shown. This monthly submission shall be accompanied by a written report by the Redeveloper citing any adjustments to the progress forecast, analyzing the causes thereof, and, where applicable, noting corrective efforts.

(d) During the period of the Plan, all work of the Redeveloper shall be subject to inspection by representatives of the Authority, of the City and of the United States of America, and the Authority shall notify the Redeveloper promptly of any defects observed by it.

(e) The Redeveloper shall diligently prosecute to completion the construction of the improvements and shall complete such construction not later than thirteen (13) months after commencement thereof.

(f) It is intended and agreed that the agreements and covenants contained in this Section 303 with respect to the beginning and completion of the improvements on the Property shall be covenants running with the land. This subsection shall not, however, apply against a mortgagee permitted by this Agreement unless the mortgagee shall elect to complete as permitted in Section 403, in which case the extension provisions of that Section shall apply.

Section 304: When Improvements Completed

When the improvements required of the Redeveloper by the provisions of this Agreement have been built and are substantially ready for occupancy, the Authority shall issue to the Redeveloper a Certificate of Completion which shall be in recordable form and shall be conclusive evidence of the fact that the improvements have been completed.

If the Authority shall refuse or fail to issue such a Certificate in accordance with the provisions of this Section, the Authority shall within thirty (30) days after written request by the Redeveloper, provide the Redeveloper with a written statement, indicating in adequate detail in what respect the Redeveloper has failed to complete the improvements in accordance with the provisions of this Section, or is otherwise in default, and what measures or actions will be necessary, in the opinion of the Authority, for the Redeveloper to take or perform in order to obtain such a Certificate.

6/22/67

When the Property has been, with the approval of the Authority, divided into 2 or more separate parcels for the purpose of constructing thereon separate improvements, the Authority may, upon completion of the improvements relating to any such parcel, issue a Certificate of Completion with respect to such separate parcels.

Section 305: Prompt Payment of Obligations

The Redeveloper shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms and corporations doing any work, furnishing any materials or supplies or renting any equipment to the Redeveloper or any of its contractors or subcontractors in connection with the development, construction, furnishing, repair or reconstruction of any of the improvements required by this Agreement to be constructed upon the Property.

Section 306: Nondiscrimination in Employment

The Redeveloper, for itself, and its successors and assigns, agrees that in the construction of the improvements in accordance with the provisions of this Agreement:

(a) The Redeveloper will not discriminate against any employee or applicant for employment because of race, creed, color or national origin. The Redeveloper will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Redeveloper agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Authority setting forth the provisions of this nondiscrimination clause.

(b) The Redeveloper will, in all solicitations or advertisements for employees placed by or on behalf of the Redeveloper, state that all qualified applicants will receive consideration for employment without regard to race, creed, color or national origin.

6/22/67

(c) The Redeveloper will send to each labor union or representative of workers with which the Redeveloper has a collective bargaining agreement or other contract or understanding, a notice, to be provided, advising the labor union or workers' representative of the Redeveloper's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) The Redeveloper will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(e) The Redeveloper will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor or the Secretary of Housing and Urban Development pursuant thereto, and will permit access to the Redeveloper's books, records and accounts by the Authority, the Secretary of Housing and Urban Development, and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(f) In the event of the Redeveloper's noncompliance with the nondiscrimination clauses of this Section, or with any of the said rules, regulations, or orders, the Agreement may be canceled, terminated, or suspended in whole or in part and the Redeveloper may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(g) The Redeveloper will include the provisions of Paragraphs (a) through (g) of this Section in every contract or purchase order, and will require the inclusion of these provisions in every subcontract entered into by any of its contractors, unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each such contractor, subcontractor, or vendor, as the case may be. The Redeveloper will take such action with respect to any construction contract, subcontract or purchase order as the Authority or the Department of Housing and Urban Development may direct as a means of enforcing such provisions, including sanctions of noncompliance: Provided, however, that in the event the Redeveloper becomes involved in, or

6/22/67

is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Authority or the Department of Housing and Urban Development, the Redeveloper may request the United States to enter into such litigation to protect the interests of the United States.

For the purpose of including such provisions in any construction contract, subcontract, or purchase order, as required hereby, the first three lines of this Section shall be changed to read "During the performance of this Contract, the Contractor agrees as follows:", and the term "Redeveloper" shall be changed to "Contractor".

6/22/67

ARTICLE IV. TRANSFER AND MORTGAGE OF REDEVELOPER'S INTEREST

Section 401: General Terms Relating to Transfer of
Interest in Property by Redeveloper

(a) The Redeveloper agrees that it will not, prior to the completion of the construction of the improvements on the Property, make, or suffer to be made, any assignment or any manner of transfer of its interest in the Property or portion thereof or in this Agreement, other than a contract or agreement to be performed subsequent to such completion, except as provided in subsection (c) of this Section 401 and Section 402.

(b) Notwithstanding the provisions of subsection (b) of this Section 401, an assignment or transfer of the Redeveloper's interest in the Property or any portion thereof or in this Agreement may be made prior to the completion of the construction of the improvements, upon compliance with the following:

(1) The transferee or transferees shall have been approved as such in writing by the Authority.

(2) The transferee or transferees, by valid instrument in writing, satisfactory to the Authority, shall have expressly assumed, for themselves and their successors and assigns and

directly to and for the benefit of the Authority, all obligations of the Redeveloper provided for in this Agreement including the obligations of performance in accordance with the Plan, provided, that the fact that any transferee of, or any other successor in interest whatsoever to, the Property or any part thereof, shall, whatever the reason, not have assumed such obligations or so agreed, shall not (unless and only to the extent otherwise specifically provided in this Agreement or agreed to in writing by the Authority) relieve or except such transferee or successor of or from such obligations, conditions or restrictions, or deprive or limit the Authority of or with respect to any rights or limitations or controls with respect to the Property or the construction of the improvements; it being the intent of this, together with other provisions of this Agreement, that (to the fullest extent permitted by law and equity and excepting only in the manner and to the extent specifically provided otherwise in this Agreement) no transfer of, or change with respect to, ownership shall operate, legally or practically, to deprive or limit the Authority of or with respect to any rights or remedies or controls provided in or resulting from this Agreement with respect to the Property and the construction of the improvements that the Authority would have, had there been no such transfer or change. Therefore, in the absence of a

6/22/67

specific written agreement by the Authority to the contrary, no such transfer or approval thereof by the Authority shall be deemed to relieve the Redeveloper or any other party bound in any way by this Agreement or otherwise with respect to the construction of the improvements, from any of its obligations with respect thereto.

(3) Any consideration obtained by the Redeveloper from the transferee or transferees in excess of an amount representing the actual cost to the Redeveloper of the Property or interest therein transferred, including the cost of any improvements made thereon and carrying charges, shall be paid over to the Authority.

(4) There has been submitted to the Authority for review, and the Authority has approved, all instruments and other legal documents involved in effecting transfer.

(5) The Redeveloper and its transferee or transferees shall comply with such other conditions as the Authority may find desirable in order to achieve and safeguard the purposes of the Massachusetts Housing Authority Law and the Plan.

Section 402: Mortgage of Property by the Redeveloper

Notwithstanding any other provisions of this Agreement, the Redeveloper shall at all times have the right to encumber, pledge, or convey its rights, title and interest in and to the Property, or any portion or portions thereof, by way of bona fide mortgage to secure the payment of any loan or loans obtained by the Redeveloper to finance the development, construction, furnishing, repair or reconstruction of any of the improvements required to be constructed by the Redeveloper on the Property by the Plan and this Agreement, or to refinance any outstanding loan or loans therefor obtained by the Redeveloper for any such purpose; provided, however, that the Redeveloper shall give prior written notice to the Authority of its intent to exercise such rights hereunder.

The holder of any such mortgage (including a holder who obtains title to the Property or portion thereof by foreclosure or action in lieu thereof, but not including a party who obtains title through such holder, or any purchaser at a foreclosure sale other than the holder) shall not be obligated by this agreement to construct or complete the improvements or to guarantee such construction or completion, but shall have the options described in Section 403.

6/22/67

Section 403: Rights and Duties of Mortgagee upon Acquisition
Prior to Completion

(a) If a mortgagee, through the operation of its contract to finance the improvements required by this Agreement to be constructed by the Redeveloper on the Property, or by foreclosure, acquires fee simple title to the Property or any Parcel thereof prior to the completion of such improvements, the mortgagee shall, at its option:

- (1) complete construction of such improvements in accordance with the approved working drawings and specifications, the Plan and this Agreement and in all respects comply with the provisions of this Agreement; or
- (2) sell, assign or transfer, with the prior written consent of the Authority, fee simple title to the Property or Parcel to a purchaser, assignee or transferee who shall expressly assume all of the covenants, agreements and obligations of the Redeveloper under this Agreement in respect to the Property or Parcel, by written instrument satisfactory to the Authority and recorded forthwith in the Suffolk County Registry of Deeds; or
- (3) reconvey fee simple title to the Property to the Authority, in which event the provisions of Section 802 relative to resale shall apply.

(b) In the event that a mortgagee elects to complete construction pursuant to (a) (1) above, or sells, assigns or transfers pursuant to (a) (2) above, the Authority shall extend the time limits set forth in Section 303 herein as shall be reasonably necessary to complete construction of the improvements, and upon such completion, the mortgagee or purchaser, as the case may be, shall be entitled to the Certificate of Completion pursuant to Section 304 hereof.

6/22/67

ARTICLE V. PROVISIONS RELATING TO OPERATION AND MAINTENANCE

Section 501: Maintenance and Operation of Improvements

The Redeveloper shall, at all times until the expiration of the term of the Plan, keep the improvements constructed on the Property in good and safe condition and repair unless such improvements shall have become uninsurable, and, in the occupancy, maintenance and operation of such improvements and the Property, comply with all laws, ordinances, codes and regulations applicable thereto.

Section 502: Additions or Subtractions to Completed Improvements

After the improvements required by the Plan and this Agreement to be constructed by the Redeveloper on the Property, or any portion thereof, have been completed, the Redeveloper shall not, until the expiration of the term of the Plan, reconstruct, demolish, or subtract therefrom or make any additions thereto or extensions thereof, without the prior written approval of the Authority, if: (a) the external appearance of the building (including roof and penthouse) or Property is affected in any way; or (b) there are any changes in materials, design, dimensions or color in the public lobbies, entrances, arcades or open spaces. Any such reconstruction, demolition, subtraction, addition or extension shall, in all respects, conform to the provisions of the Plan. In the event the Redeveloper shall fail to comply with the foregoing requirement, the Authority may within a reasonable time after its discovery thereof direct in writing that the Redeveloper so modify, reconstruct or remove such portion or portions of the improvements as were reconstructed, demolished or subtracted from or added to or extended without the prior written approval of the Authority. The Redeveloper shall promptly comply with such a directive, and shall not proceed further with such reconstruction, demolition, subtraction, addition or extension until such directive is complied with.

ARTICLE VI. INDEMNIFICATION

Section 601: Reimbursement of Authority in Respect of Certain
Litigation

To the extent the Authority prevails in any proceedings brought by it to enforce compliance with the provisions of this Agreement, the Redeveloper shall pay all reasonable costs and expenses which may be incurred by the Authority, and the amounts of all judgments and decrees. However, the holder of any mortgage permitted hereunder shall not be liable to the Authority for any costs, expenses, judgments, decrees or damages which shall have accrued against the Redeveloper, whether or not such holder shall subsequently acquire title to the Property.

6/22/67

ARTICLE VII. INSURANCE

Section 701: Insurance Coverage

(a) The Redeveloper shall, until the expiration of the term of the Plan, keep all of the insurable property and equipment in respect of the Property insured by fire and extended coverage insurance and additional risk insurance to the same extent and amount which is normally required by institutional mortgagees in the use of similar property and equipment in the City. Such insurance shall be in amounts sufficient to comply with the co-insurance clause applicable to the location and character of the property or equipment, and, in any event, in amounts not less than eighty per centum (or eighty per centum in the case of extended coverage insurance) of the current cash value of such property or equipment. All such insurance shall be by standard policies, obtained from financially sound and responsible insurance companies authorized to do business in Massachusetts, and shall have attached thereto a clause making the loss payable to the Redeveloper, the Authority, as their respective interests may appear. In the event that the Property is mortgaged, the loss shall be payable also to the mortgagee, as its interest may appear, and to the Authority subject to the rights of the mortgagee.

(b) Each insurance policy shall be written to become effective at the time the Redeveloper becomes subject to the risk or hazard covered thereby, and shall be continued in full force and effect for such period as the Redeveloper is subject to such risk or hazard.

(c) Certificates of such policies and renewals shall be filed with the Authority.

Section 702: Non-Cancellation Clause

All insurance policies shall provide that any cancellation, change or termination thereof shall not be effective with respect to the Authority until after at least ten (10) days' prior notice has been given to the Authority to the effect that such insurance policies are to be cancelled, changed, or terminated at a particular time.

Section 703: Authority May Procure Insurance if Redeveloper Fails to Do So

In the event the Redeveloper at any time refuses, neglects or fails to secure and maintain in full force and effect any or all of the insurance required pursuant to this Agreement, the Authority, at its option, may procure or renew such insurance, and all amounts of money paid therefor by the Authority shall be payable by the Redeveloper to the Authority; with interest thereon at the rate of six per centum (6%) per annum from the date the same were paid by

6/22/67

the Authority to date of payment thereof by the Redeveloper. The Authority shall notify the Redeveloper in writing of the date, purposes, and amounts of any such payments made by it.

Section 704: Redeveloper's Obligations With Respect to Restoration and Reconstruction

(a) Whenever any improvement, or any part thereof, constructed on the Property shall have been damaged or destroyed prior to the expiration of the term of the Plan, the Redeveloper shall proceed promptly to establish and collect all valid claims which may have arisen against insurers or others based upon any such damage or destruction. All proceeds of any such claim and any other monies provided for the reconstruction, restoration or repair of any such improvement, shall be deposited in a separate account of the Redeveloper or of any mortgagee.

(b) The insurance money and any other proceeds so collected shall be used and expended for the purpose of fully repairing or reconstructing the improvements which have been destroyed or damaged to a condition at least comparable to that existing at the time of such damage or destruction to the extent that such insurance money and other proceeds may permit. Any excess proceeds after such repair or reconstruction has been fully completed shall be retained by the Redeveloper, subject to the rights of any mortgagee of record permitted hereunder.

(c) The Redeveloper, with the written approval of the Authority and any mortgagee of record permitted hereunder, may determine that all or any part of any such damage to or destruction of such improvements shall not be reconstructed, restored, or repaired, and in such event, the proceeds of any claims against insurers or others arising out of such damage or destruction, to the extent not used for such reconstruction, restoration, or repair shall be retained by the Redeveloper.

(d) Any reconstruction or repair undertaken pursuant to the provisions of this section shall in all respects be in accordance with and conform to the provisions of the Plan.

Section 705: Commencement and Completion of Reconstruction

The Redeveloper shall commence to reconstruct or repair any improvements and equipment on the Property, or any portion thereof, which have been destroyed or damaged prior to the expiration of the term of the Plan, within a period not to exceed six (6) months after the insurance or other proceeds with respect to such destroyed or damaged property have been received by the Redeveloper or any Mortgagee (or, if the conditions then prevailing require a longer period, such longer period as the Authority may specify in writing), and shall well and diligently and with dispatch prosecute such reconstruction or repair to completion, such reconstruction or repair in any event to be completed within twenty-four (24) months after the start thereof.

6/22/67

ARTICLE VIII. RIGHTS, REMEDIES AND PROCEDURES IN THE EVENT OF A
BREACH BY REDEVELOPER

Section 801: Failure or Refusal by Redeveloper to Purchase Fee Simple

(a) In the event that the Redeveloper shall fail or refuse to submit working drawings and specifications satisfactory to the Authority as provided in Section 302 of this Agreement, or shall fail or refuse to submit evidence satisfactory to the Authority that it has the necessary equity capital and financing as provided in Section 210, or shall (other than as provided in Section 211 of this Agreement) fail or refuse to complete the purchase and accept possession of the Property upon proper tender of conveyance by the Authority pursuant to this agreement, or there is any unauthorized change in the ownership or distribution of the beneficial interest of the Redeveloper or with respect to the identity of the parties in control of the Redeveloper or degree thereof, the Authority shall have the right to retain the deposit held by it pursuant to Section 203 as full liquidated damages, but not as a penalty, without any deduction or offset whatever and without further liability to the Authority on the part of the Redeveloper; and the Authority may, upon such failure or refusal, in its sole discretion terminate, by written notice to the Redeveloper, all of its obligations to the Redeveloper hereunder, in addition to retaining such deposit.

Section 802: Consequences of Breach by Redeveloper with Respect to Commencement and Completion of Construction, Failure to Pay Taxes or Discharge Encumbrances, or Unauthorized Transfers of Interest.

In the event that, prior to completion of the improvements:

- (1) The Redeveloper shall fail to perform its obligations under this Agreement with respect to commencement, diligent prosecution, or completion of construction of improvements;
- (2) The Redeveloper shall fail to pay any real estate taxes or assessments on the Property or any part thereof when due, or shall place or suffer to be placed thereon any encumbrances or liens not authorized by this Agreement; or
- (3) There is in violation of this Agreement any transfer of the Property or any part thereof, or any change in the ownership or distribution of the beneficial interest of the Redeveloper or with respect to the identity of the parties in control of the Redeveloper or degree thereof;

the Authority shall in writing notify the Redeveloper of such failure or violation. The Redeveloper shall thereupon have ninety (90) days

6/22/67

from the receipt by it of such written notice to cure such failure or violation. If the Redeveloper does not cure such failure or violation within the 90-day period (or within such extended period of time as may be established by the Authority acting solely in its discretion) and if the holders of record of any mortgages do not exercise their rights to cure such violation or failure (as provided in Section 804 hereof), or if this contract is cancelled, terminated or suspended pursuant to Section 306 hereof the Redeveloper shall promptly transfer possession of, and reconvey, the Property together with all of the improvements thereon, to the Authority without cost to the Authority, by quitclaim deed, provided that such reconveyance (1) shall be subject to any mortgages thereon permitted under this Agreement, and (2) shall not include any parcels with respect to which a Certificate of Completion has been issued pursuant to Section 304. In the event of such failure to cure, the Authority shall also have the right, to retain as its own the deposit then held by it without any deduction offset or recoupment whatsoever, and the Authority may also enforce its rights under the surety bond referred to in Section 210. In the event that the Redeveloper shall fail so to reconvey, the Authority may institute such actions or proceedings as it may deem advisable as well as proceedings to compel specific performance and the payment of all damages, expenses and costs.

In the event of a failure to cure under this Section, or if the contract is cancelled, terminated or suspended pursuant to Section 306, the Authority shall have the right to re-enter and take possession of the Property and to terminate (and re-vest in the Authority) the estate conveyed by the Deed to the Redeveloper, it being the intent of this, together with other provisions of this Agreement, that the conveyance of the Property to the Redeveloper shall be made upon, and that the Deed shall contain, a condition subsequent to the effect that in the event of such failure to cure, the Authority at its option may declare termination in favor of the Authority of the title, and of all the rights and interest, in the Property and that such title, and all rights and interest of the Redeveloper, and any assigns or successors in interest, in the Property, shall revert to the Authority; provided, that such condition subsequent and any re-vesting of title as a result thereof in the Authority: (1) shall always be subject to and limited by and shall not defeat, render invalid, or limit in any way the lien of any mortgage authorized by this Agreement, or any rights or interests provided herein for the protection of the holders of such mortgages, and (2) shall not apply to Parcels of the Property with respect to which a Certificate of Completion has been issued pursuant to Section 304.

In the event that the Redeveloper or a mortgagee reconveys to the Authority, pursuant to this Section 802 or Section 403, or in the event the Authority shall re-enter pursuant to this Section 802, the Authority shall undertake with due diligence to resell the Property

6/22/67

so reconveyed or which it has so re-entered, and the improvements thereon, subject to all of the provisions of the Plan; and the proceeds of such resale, together with the net income, if any, derived by the Authority from its operation and management of the Property subsequent to such reconveyance shall be used:

First: to reimburse the Authority for all costs and expenses reasonably and proximately incurred by the Authority, including the salaries of Authority personnel, in connection with the recapture, management and resale of the Property and all administrative and overhead costs in connection therewith;

Next: to reimburse the Authority for expenditures made or obligations incurred with respect to the making or completion of improvements on the Property for which it has not otherwise been reimbursed;

Next: to pay all taxes, payments in lieu of taxes, public charges and other sums owing to the City with respect to the Property up to the time of such resale (or in the event the Property is exempt from taxation during the period of ownership thereof by the Authority, an amount equal to such taxes as would have been payable if the Property were not so exempt);

Finally: in the event that the Redeveloper reconveys or the Authority re-enters pursuant to this Section 802:

- (a) In their respective order of priority to pay any and all mortgage indebtedness and to make all and whatever payments may be necessary to discharge any other encumbrances or liens existing or threatened on the Property.
- (b) To pay or reimburse the Authority for any amounts otherwise owing to the Authority from the Redeveloper; and
- (c) If there is any balance of proceeds remaining, to use the balance of the proceeds to reimburse the Redeveloper for and up to the amount expended by it in the purchase and improvement of the Property (but not including the deposit referred to in Section 203 hereof), less any profit theretofore realized by the Redeveloper from the disposition of any interest in the Property, and any income realized by the Redeveloper from its use of the Property.

Any balance remaining shall remain the property of the Authority.

or

Finally: in the event that a mortgagee reconveys to the Authority pursuant to Section 403:

- (a) To make all and whatever payments may be necessary to discharge any other encumbrances or liens existing or threatened on the Property, and
- (b) to pay to the mortgagee the full amount (to the extent the balance of proceeds permits) of the mortgage indebtedness which would then have been due and owing if the mortgage

6/22/67

(and the indebtedness secured thereby) had continued in full force and effect, together with all and whatever costs and expenses previously incurred by the mortgagee for which, under accepted principles of law and under the terms of the mortgage and the mortgage note, the mortgagee would be properly entitled to be reimbursed, out of the proceeds of a foreclosure sale if a third person had been the purchaser thereat, less any income realized by the mortgagee from its use of the Property.

Any balance remaining shall remain the property of the Authority.

Section 803: Notice of Breaches to Mortgagees

In the event that the Authority, pursuant to Section 802 of this Agreement gives written notice to the Redeveloper of a failure to commence or complete construction, the Authority shall forthwith furnish a copy of the notice to each of the mortgagees of record of the Property permitted under this Agreement. To facilitate the operation of this Section, the Redeveloper shall at all times keep the Authority provided with an up-to-date list of names and addresses of mortgagees and holders of building loan agreements from whom the Redeveloper has obtained loans for redevelopment operations. Any such mortgagee or holder may notify the Authority of its address and request that the provisions of Section 910 as they relate to notices apply to it. The Authority agrees to comply with any such request.

Section 804: Mortgagee May Cure Breach of Redeveloper

In the event that the Redeveloper received notice from the Authority of a failure to commence or complete construction, pursuant to Section 802 of this Agreement and such breach is not cured by the Redeveloper before the expiration of the ninety (90) day period provided for in Section 802, the holders of record of construction loan agreements and/or mortgages in replacement thereof may cure any such failure and complete the construction then in progress in accordance with the working drawings and specifications, the Plan and this Agreement upon giving written notice of their intention to do so to the Authority within fifteen (15) days after the expiration of the ninety (90) day period, or within sixty (60) days after such holder receives such notice of failure, whichever period is longer.

6/22/67

Section 805: Remedies for Other Breaches

It is understood by the parties hereto that in the event any party shall fail to comply with or violate any of the provisions of this Agreement, then the other party hereto may institute such actions and proceedings as may be appropriate, including actions and proceedings to compel specific performance and payment of all damages, expenses, and costs. Neither these remedies nor that class of remedies more particularly described in this Agreement shall be exclusive unless specifically so described, provided however that the remedies prescribed in Sections 801 and 802 for the defaults therein described shall be exclusive.

ARTICLE IXMISCELLANEOUS PROVISIONSSection 901: Obligations and Rights and Remedies
Cumulative and Separable

The respective rights and remedies of the Authority and Redeveloper, whether provided by this Agreement or by law, shall be cumulative, and the exercise of any one or more of such rights or remedies shall not preclude the exercise, at the same or different times of any other such rights or remedies, provided however that the remedies prescribed in Sections 801 and 802 for the defaults therein described shall be exclusive.

Section 902: Finality of Approvals

Where, pursuant to this Agreement, any document or proposed action by the Redeveloper is submitted by it to the Authority, and the Redeveloper has been notified in writing by the Authority that the same is approved or is satisfactory, such determination shall be conclusively deemed to be a final determination by the Authority with respect to such particular document or proposed action for which such approval or notice of satisfaction was given.

Where the consent or approval of the Authority is required hereunder, such consent or approval shall not be unreasonably withheld.

Section 903: How Agreement Affected by Provisions Being Held Invalid

its successors and assigns to or of the Property or any part thereof or any interest therein and any party in possession or occupancy of the Property or any part thereof). In amplification, and not in restriction of the provisions hereof, it is intended and agreed that the Authority shall be deemed a beneficiary of such covenants and the United States shall be deemed a beneficiary of the covenant provided in Section 301 (a)(3) hereof, both for and in their or its own right and also for the purposes of protecting the interests of the community and the other parties, public or private, in whose favor or whose benefit such covenants have been provided, and such covenants shall be in force and effect, without regard to whether the Authority or the United States has at any time been, remains or is an owner of or in possession of any land to, or in favor of, which the covenants relate.

It is the intention of the Authority that the covenants running with the land which are contained in any instrument of conveyance relating to the Property shall be enforceable only by the Authority () the United States in the case of the covenant provided in Section 301 (a)(3) hereof) and those holding title to an interest in the Property and that such covenants shall not be enforceable by transferees of other land owned by the Authority in the area covered by the Plan.

Section 913: Excusable Delays

For the purposes of any of the provisions of this Agreement, neither the Authority nor the Redeveloper, as the case may be, shall be considered in breach of or default in its obligations with respect to the preparation of the Property for Redevelopment, or the beginning and completion of construction of the improvements, or progress in respect thereto, in the event of unavoidable delay in the performance of such obligations due to causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays of subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such enforced delay, the time or times for performance of the obligations of the Authority with respect to the preparation of the Property for redevelopment or of the Redeveloper with respect to construction of the improvements, as the case may be, shall be extended for the period of the enforced delay: Provided, that the party seeking the benefit of the provisions of this Section shall, within a reasonable period after the beginning of any such enforced delay, have first notified the other party thereof in writing stating the cause or causes thereof and requested an extension for the period of the enforced delay. In calculating the length of the delay, the Authority shall consider not only actual work stoppages but also any consequential delays resulting from such stoppages as well. SUBJECT: PROJECT MASS. R-35 - GOVERNMENT CENTER
DISPOSITION

SUMMARY: This memo recommends approval of a Land
Disposition Agreement for Parcels 2F & 2G
in Government Center.

Attached to this memorandum is a proposed Land Disposition Agreement by and between the BRA and RKO General Associates with respect to Parcels 2F & 2G in Government Center.

As you will recall, Parcels 2F & 2G are to be the site of the new WNAC-TV Studios and office building. Final preliminary plans and outline specifications for this building were completed and approved by you in March.

The Land Disposition Agreement provides for a purchase price of \$140,000.00 subject to HUD concurrence, and for a transfer of title to take place on or before August 10, 1967. Included in the rights given the Redeveloper under this Agreement are 1) an easement for emergency egress onto Parcel 2H, 2) an easement for light and air over a fifty-foot wide strip of land leading from the WNAC building to be constructed through to New Sudbury Street along Bulfinch Place, which strip of land may at our option be sold to WNAC for not more than \$7.80 per square foot. 3) an easement to allow the placement of trees, pools or fountains within fifteen feet of their building on the Parcel 2H side, and 4) the right of first refusal to purchase Parcel 2H at appraised value should 30 Hawkins Street become destroyed while in BRA ownership.

The building to be constructed consists of approximately 95,000 square feet.

A proposed resolution in the federal form is also attached, and I recommend your adoption thereof.
